Experience Thai Village

A vital ingredient to our business is our deepseated commitment to offer the best food and service in all our restaurants. Upholding a tradition of goodness, we believe that consistency is the key to meet our customer's expectations.

Thai Village Holdings Ltd, together with our subsidiaries, manages two key business segments-restaurant operations and restaurant management services. To date, we proudly own a chain of 6 self-managed restaurants and 13 franchise restaurants, catering to the expectations of discerning palates of sophisticated consumers.

Established in 1991 with our flagship Thai Village Sharksfin Restaurant in Singapore, we have grown steadily in regional capacity to become a benchmark for exquisite Thai-Teochew cuisine in Singapore, China, Vietnam and Indonesia. Our signature dish, the Braised Superior Shark's Fin soup, is served at all Thai Village restaurants. Today, we continue to whet appetites with our finest ingredients, delicate taste and outstanding service in the region, serving up Thai-Teochew delicacies to our customers.

Chairman and Managing Director's Message

Dr John Chen Seow Phun Executive Chairman

Mr Lee Tong Soon Managing Director

At our home base in Singapore, we are actively exploring marketing strategies to widen our customer base. Our Group is also exploring business opportunities including other cuisine-themed restaurants.

Dear Shareholders,

The past year has been challenging for Thai Village. Together with continued volatility in the global economy and a slowing economy in China, we also witnessed a moderating Singapore business environment. Increased competition across the board and high costs also impinged on our growth. All in, we booked about a 10% decrease in Group revenue, from \$28.9 million in Financial Year 2011 to \$25.9 million in Financial Year 2012, mainly attributed to a slowdown in our China business. China revenue weakened by \$2.4 million from \$12 million in FY2011 to \$9.6 million in FY2012. Meanwhile, revenue from Singapore experienced a slight decrease of \$0.6 million from \$16.8 million in the previous year to \$16.2 million in the year in review. As a percentage of Group revenue, Singapore contributed 62.1% while China contributed 37.2% over the year. All in, we booked net profits of \$1.6 million for the year under review, compared with \$1.7 million in the previous year.

On the back of a slowing Chinese economy, our restaurant sales in the country has noticeably moderated. The average customer's spending power has also been clipped with persistently high inflation and the expensive cost of living. In terms of expenses, we had to contend with increasing

produce costs especially for seafood such as crab, scallop and live fish, as well as higher labour costs.

Back in Singapore, business operations at our three outlets have seen an approximate \$600,000 reduction of sales due to a slowing domestic economy over the year. Our Kallang Leisure Park outlet saw a slight dip in sales, partly due to fewer musical events at the Singapore Indoor Stadium and their spillover effect in terms of fewer diners, as compared to the previous year. During the course of the year, many musical performances were held in new venues such as Resorts World Sentosa, drawing dining crowds to these locations instead. Over in Jurong, our restaurant business also decreased with corporate clientele spending less than before. Locals comprise the majority of our customer base in these two branches, and with the declining economic outlook, we saw many deciding to cut back their spending at our outlets. The third branch, in Goodwood Park Hotel, caters mostly to tourists. Revenue from this Scotts Road venue situated in the city's main shopping belt improved marginally in Financial Year 2012.

Franchise income from our China, Indonesia and Vietnam markets have remained about the same over the year.

Outlook and Strategy

As we move ahead into the new financial year, we note that the world economy continues to be marked by volatility, with many analysts predicting a further contraction in the developed economies of the West and Japan. Even China's growth has continued to dip, brought on by government measures to reduce bank loans and cool the property market in 2010 and 2011, as well as the ripple effects of declining global growth on its export-oriented economy. Back in our other major market of Singapore, the government has also lowered its growth outlook over the course of the year.

This lacklustre business environment requires us to tread with caution while exploring new ways to boost growth. We have to pay close attention to cost management issues such as wages and the cost of raw materials in all the markets we

operate in. We must also develop new avenues for expansion, both organically and through joint-ventures, franchises and other options.

At our home base in Singapore, we are actively exploring marketing strategies to widen our customer base. Our Group is also exploring business opportunities including other cuisine-themed restaurants. We look forward to sharing these plans with shareholders when they are confirmed.

On the expense side in Singapore, we are already experiencing the effects of a government-induced reduction of foreign workers and the increase in the foreign worker levy. This decreased labour supply has edged wages up but it is frankly a challenge to find locals who seek employment as wait-staff or cooks. We are at this moment able to manage such issues within our three outlets but project it to be a medium-to-long-term issue that requires our conscientious management down the road.

Chairman and Managing Director's Message

To reward our loyal shareholders, we are proposing a dividend of 0.8 cts per ordinary share to be approved at our upcoming Annual General Meeting.

Dividend

To reward our loyal shareholders, we are proposing a dividend of 0.8 cts per ordinary share to be approved at our upcoming Annual General Meeting.

Conclusion

We have steered through a past year characterised by fast-evolving market conditions worldwide, including in China and Singapore. On behalf of the Board, we would like to take this opportunity to extend our gratitude to our fellow Directors, management and staff for their dedication and good counsel over this time. We would also like to thank our supportive business partners and shareholders. Together, we look forward to bringing Thai Village to the next level.

Dr John Chen Seow Phun

Executive Chairman

Mr Lee Tong Soon

Managing Director

Operations Review

Turnover and Earnings

In Financial Year 2012, Group revenue decreased by approximately \$3.0 million, from \$28.9 million in FY2011 to \$25.9 million in FY2012. This was mainly due to the continued economic slowdown in China, well into its second year, and the closure of the Kunming outlet. Raw materials used decreased mainly as a result of a decrease in sales. With a better management of raw material costs in China, our gross profit margin increased marginally by 0.8% over the year. At the same time, other income increased by about \$1.3 million mainly due to a \$1.0 million advisory fee income for advisory services provided to a logistics project in Chengdu and \$0.3 million gain on disposal of fixed assets. Other operating costs decreased by \$0.5 million primarily due to a decrease in impairment loss on fixed assets and unquoted equity shares during the year.

As a result of lower sales, profit before tax decreased by about \$0.1 million to \$2.5 million during the year in review, as compared to \$2.6 million in FY2011. Likewise, profit after tax moderated by 2% to \$1.6 million, from \$1.7 million the year before. Basic earnings per share saw a slight decline from 0.81 cts in FY2011 to 0.79 cts in FY2012. Likewise, net asset value per ordinary share saw a decrease from 9.08 cts in FY2011 to 9.01 cts in FY2012.

Operations Review

Singapore Performance

Over the year in review, revenue from Singapore operations decreased by about \$0.6 million to \$16.1 million. This was mainly due to a moderation in restaurant sales and the closure of The Noodle Expert outlet. However, gross profit margin was retained at about 64%. Profit before tax increased by about \$0.7 million mainly due to advisory fee income of \$1.0 million, gain on disposal of fixed assets of about \$0.3 million offset by an increase in personnel costs of about \$0.5 million.

Overseas Performance

Over in the People's Republic of China, turnover from Group operations saw more of a decline with the lacklustre economy and persistent inflation casting a shadow on consumer spending. Turnover fell by \$2.4 million to \$9.6 million as compared to the previous year, primarily because of lower sales in all 3 outlets in Shanghai and the closure of the Kunming outlet. In terms of our franchise operations, royalty income from the franchise outlets in China, Vietnam and Indonesia remained steady. The Group now has 10 franchise outlets in China, 2 in Vietnam and 1 in Indonesia.

Human Resources Development

As a reputable, fine dining establishment, Thai Village recognises the importance of well-trained and customerorientated staff. Together with top quality food, they contribute to a dining experience that is memorable and indelibly develop customer loyalty. As such, we continue to place a premium on developing our staff's capabilities. One of the avenues we undertake is on-the-job training. We are a Certified On-the-Job Training Centre (COJTC) for the Institute of Technical Education. This allows our employees to be trained on-site by us and receive an OJT certificate.

Balance Sheet and Cash Flow

During the year in review, our balance sheet and cash flow remained robust. Non-current assets increased by about \$2.0 million to \$5.8 million mainly due to investment loan provided for a logistic project in Chengdu during the year. The derivative asset \$0.76 million is the fair value of return expected from the investment loan. Meanwhile, the investment loan receivable of \$1.4 million is the fair value of the investment loan at inception plus interest income recognised. Current assets have decreased by about \$3.4 million as compared to the previous year mainly due to \$2.0 million fixed deposits used for investment loan and approximately \$0.9 million in cash in bank used to repay trade creditors. Current liabilities have decreased by \$1.2 million basically because of a decrease in trade creditors.

Net cash flow for the financial year decreased by about \$3.9 million mainly due to lower net profit generated, investment loan provided and purchase of fixed assets. The Group's cash and cash equivalents at the end of the financial year in review decreased by about \$3.0 million to \$15.5 million as compared to the previous year.

Board Of Directors

Mr Kok Nyong Patt

Dr JOHN CHEN SEOW PHUN

Executive Chairman

He was appointed as an Independent Director of the Company in December 2001 and was re-designated as Executive Chairman on 1 May 2012. He was the Assistant Secretary General of the NTUC from 1991 to 1997 and served as the Deputy Chairman and Managing Director of the NTUC Healthcare Co-op Ltd from 1992 to 1997. Dr Chen was a Member of Parliament from September 1988 to April 2006. From March 1997 to June 1999, he was the Minister of State for Communications. From June 1999 to November 2001, he was the Minister of State for Communications & Information Technology and Minister of State for National Development. Prior to joining the Government in 1997, Dr Chen has served as a Board Member of the Economic Development Board, the Housing and Development Board, the Port of Singapore Authority and Singapore Power Ltd. Dr Chen holds a PhD in Electrical Engineering from the University of Waterloo, Canada. He taught at the National University of Singapore from 1983 to 1991.

MR LEE TONG SOON

Managing Director

He is responsible for the overall management and business development of the Group. Mr Lee is one of the founding shareholders of Thai Village Sharksfin Restaurant Pte Ltd ("TVSR") and has been the Managing Director of TVSR since its incorporation in 1995. He has been instrumental in the Group's expansion and has been shaping the development and growth of the Group's operations since 1991. Prior to founding the Group, Mr Lee was an estate officer with the Housing Development Board from 1983 to 1990. He joined McDonald's Restaurants Pte Ltd as a real estate manager from 1990 to 1991 where he was responsible for finding new locations for new McDonald's restaurants. Mr Lee holds a Bachelor Degree in Arts and Social Science from the National University of Singapore.

MR KOK NYONG PATT

Executive Director

He is one of the founding shareholders of the TVSR and has been a director since its inception in 1995. His areas of responsibilities include business development, business strategy and planning, human resource management and business administration. Prior to joining the Group in 1992, Mr Kok was a petroleum cargo officer with Hong Lam Shipping Pte Ltd from 1986 to 1992.

Mr Hoon Tai Meng

MR HOON TAI MENG

Independent Director

He was appointed an Independent Director of the Company on 1 February 2011. He is currently an executive director of Chip Eng Seng Corporation Ltd and formerly a partner with M/s KhattarWong. Besides having around 15 years of experience in legal practice, he also has approximately 20 years of experience in financial planning and management, audit and tax functions. He has a Bachelor of Commerce degree in accountancy from the Nanyang University and a LLB (Honours) from the University of London. Tai Meng is a Fellow of the Chartered Institute of Management Accountants (United Kingdom), a Fellow of the Association of Chartered Certified Accountants (United Kingdom), a Fellow Certified Public Accountant (Singapore) and a Barrister-at-Law (Middle Temple, United Kingdom). He is also an Independent Director of Sin Ghee Huat Corporation Ltd.

MS JULIA KWOK YUNG CHU

Independent Director

She was appointed on 1 December 2007. A Certified Practising Accountant of CPA Australia and Practising Management Consultant, Ms Julia Kwok holds a Bachelor of Economics from Monash University and has many years of professional accounting and management experience. Ms Julia Kwok has been the Financial Controller responsible for finance and management functions for the Thai Village Group of Companies from 1999 to 30 September 2007. Prior to joining the Group in 1999, she has held various accounting positions with companies including Shell International Trading Company, Daly Smith Corporation Pty Ltd, IPL Daltron Sydney, Sembawang Industrial Manufacturing Pte Ltd and Price Waterhouse. Ms Julia Kwok is currently a business and financial consultant to various clients of Olea Private Limited.

MR FOO DER RONG

Independent Director

Mr Foo graduated with a Bachelor Of Commerce degree from Nanyang University. He has a wealth of experience and knowledge in business development, corporate restructuring, investment strategies and operations management in FMCG and Services. Mr Foo is presently an Executive Director of Sin Lian Holding Ltd and a Non-Executive Director of Southern Lion Sdn Bhd. Mr Foo was Managing Director cum CEO of PSC Corporation Ltd (company name has been changed to Hanwell Holdings Ltd) from 2003 till 2012. He was also concurrently the Executive Director of Intraco Ltd and Tat Seng Packaging Group Ltd from 2005 till 2012.

Key Executives

MR MAXTEIN OH KOK THAI

Group General Manager

He was appointed as Group General Manager on 1 May 2006 to oversee the Group operations including regional business development, human resource & administration as well as sales & marketing. He joined the Group in 1997 as Restaurant Manager and was promoted to Group Operations Manager in 2000 to oversee the operations in Singapore. He was posted to Beijing, China in 2001 as General Manager (Northern China's Operation) for setting up and managing the restaurants in Northern China and franchise operations in China. He was promoted to General Manager for China's Operation in 2004, based in Shanghai to oversee the operations in China. Prior to joining the Group, he has held managerial positions with Conrad International Centennial Singapore, Pondok Gurame Group of Restaurants, Jumbo Group of Restaurants, Yunnan Group of Restaurants and he has also worked with The Westin Stamford and The Westin Plaza. Mr. Oh is a graduate from American Hotel and Lodging Educational Institute in Hospitality Management and he holds a certificate in Advanced Certificate in Training And Assessment from Institute of Adult Learning Singapore. He is a Certified Industry Trainer and Assessor as well as a Certified WSQ Trainer and Assessor by Institute of Technical Education Singapore and Singapore Workforce Development Agency.

MS VENETIA YONG CHIN CHING

Financial Controller

She was appointed on 1 October 2007. As the Financial Controller, Ms Yong is responsible for the finance and management reporting functions of the Group. She has many years of accounting and management experience. Prior to joining the Group in September 2006, she has held various finance and accounting positions within the Thakral Group of companies and Acer Group of companies and has also worked in audit. Ms Yong is ACCA qualified and a CPA Singapore.

MR KENNY CHIANG KIAN NGEE

General Manager (China Operation)

He is responsible for the operations and business development of the Group's subsidiaries and franchisees in the PRC. Prior to joining the Group in December 1999, Mr Chiang was a real estate manager with MLS Pro-Link Pte Ltd from 1995 to 1999. Mr Chiang also worked as a cargo officer with Hong Lam Bunkers Pte Ltd from 1992 to 1995 and as a chef with Hilton Hotel International Singapore from 1990 to 1992.

Directors' Report

The directors are pleased to present their report to the members together with the audited consolidated financial statements of Thai Village Holdings Ltd (the "Company") and its subsidiaries (collectively, the "Group"), and the balance sheet and statement of changes in equity of the Company for the financial year ended 30 September 2012.

Directors

The directors of the Company in office at the date of this report are:

Dr. John Chen Seow Phun Lee Tong Soon Kok Nyong Patt Julia Kwok Yung Chu Hoon Tai Meng Foo Der Rong (Appointed on 1 May 2012)

In accordance with Articles 107 and 117 of the Company's Articles of Association, Dr John Chen Seow Phun, Kok Nyong Patt and Foo Der Rong retire and, being eligible, offer themselves for re-election.

Arrangements to enable directors to acquire shares and debentures

Neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

Directors' interests in shares and debentures

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under Section 164 of the Singapore Companies Act (the "Act"), Cap. 50, interests in the shares of the Company, as stated below:

	Direct interests			I	ts	
	1.10.2011	30.9.2012	21.10.2012	1.10.2011	30.9.2012	21.10.2012
The Company

Julia Kwok Yung Chu	55,000	55,000	55,000	_	_	_

Note:

- (1) 12,500 (2011: 12,500) shares are held in the name of Lim Teck Eng, who is the spouse of Lee Tong Soon;
- (2) 12,500 (2011: 12,500) shares are held in the name of Ho Choy Pheng, who is the spouse of Kok Nyong Patt;
- (3) 62,500 (2011: 62,500) shares are held in the name of Lim Kok Huang, who is the spouse of Dr. John Chen Seow Phun. 22,252,725 (2011: Nil) shares are held in the name of Unigold Asia Limited, which is wholly owned by Dr. John Chen Seow Phun.

Except as disclosed in this report, no other director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or date of appointment if later, or at the end of the financial year, or on 21 October 2012.

Directors' Report

Directors' contractual benefits

Except as disclosed in the financial statements, since the end of the previous financial year, no director of the Company has received or become entitled to receive a benefit by reason of a contract made by the Company or a related corporation with the director, or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

Share options

There is presently no option scheme on unissued shares of the Company.

Audit Committee

The Audit Committee ("AC") carries out its functions in accordance with Section 201B(5) of the Act, Cap. 50, including the following:

- Reviews the audit plans of the internal and external auditors of the Company, and reviews the internal auditors' evaluation of the adequacy of the Company's system of internal accounting controls and the assistance given by the Company's management to the external and internal auditors;
- Reviews the half-yearly and annual financial statements and the auditors' report on the annual financial statements of the Company before their submission to the Board of directors;
- Reviews the cost effectiveness, independence and objectivity of the external auditors;
- Reviews the nature and extent of non-audit services provided by the external auditors;
- Recommends to the Board of directors the external auditors to be nominated, and reviews the scope and results of the audit;
- Reviews the effectiveness of the Company's material internal controls, including financial, operational and compliance controls, and risk management via reviews carried out by the internal auditors;
- Reviews the legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- Reviews the interested person transactions in accordance with the requirements of the Singapore Exchange Securities
 Trading Limited's Listing Manual;
- Meets with the external auditors, other committees, and management in separate executive sessions to discuss any
 matters that these groups believe should be discussed privately with the AC; and
- Reports actions and minutes of the AC to the Board of directors with such recommendations as the AC considers appropriate.

The AC, having reviewed all non-audit services provided by the external auditors to the Group, is satisfied that the nature and extent of such services would not affect the independence of the external auditors. The AC has also conducted a review of interested person transactions.

The AC convened two meetings during the year with full attendance from all members. The AC has also met with the external auditors, without the presence of the Company's management, at least once a year.

Further details regarding the AC are disclosed in the Report on Corporate Governance.

Directors' Report

Auditors

Ernst & Young LLP have expressed their willingness to accept re-appointment as auditors.

On behalf of the Board of directors:

Lee Tong Soon Managing Director

Kok Nyong Patt Executive Director

Singapore 12 December 2012

Statement by Directors

We, Lee Tong Soon and Kok Nyong Patt, being two of the directors of Thai Village Holdings Ltd (the "Company"), do hereby state that, in the opinion of the directors:-

- (i) the accompanying balance sheets, consolidated statement of comprehensive income, statements of changes in equity, and consolidated cash flow statement, together with notes thereto, are drawn up so as to give a true and fair view of the state of affairs of the Group and of the Company as at 30 September 2012, and the results of the business, changes in equity and cash flows of the Group, and the changes in equity of the Company for the financial year then ended on that date; and
- (ii) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

On behalf of the Board of directors:

Lee Tong Soon Managing Director

Kok Nyong Patt Executive Director

Singapore 12 December 2012

Independent Auditors' Report

To the Members of Thai Village Holdings Ltd

Report on the financial statements

We have audited the accompanying financial statements of Thai Village Holdings Ltd (the "Company") and its subsidiaries (collectively, the "Group") set out on pages 18 to 61, which comprise the balance sheets of the Group and the Company as at 30 September 2012, the statements of changes in equity of the Group and the Company, and the consolidated statements of comprehensive income and cash flows of the Group for the financial year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair profit and loss accounts and balance sheets and to maintain accountability of assets.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Group and of the Company as at 30 September 2012 and the results, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date.

Report on other legal and regulatory requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiaries incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The accompanying accounting policies and explanatory notes form an integral part of the financial statements.

30 September 2012

1. Corporate information

Thai Village Holdings Ltd (the "Company") is a limited liability company incorporated and domiciled in the Republic of Singapore and is listed on the Singapore Exchange Securities Trading Limited. The registered office and principal place of business of the Company is located at Block 1002 Tai Seng Avenue #01-2536, Singapore 534409.

The principal activities of the Company are those of investment holding, franchising, and the provision of management services to its subsidiaries. There have been no significant changes in the nature of these activities during the financial year.

The principal activities of the subsidiaries are as shown in Note 6 to the financial statements.

Related companies in these financial statements refer to the companies within Thai Village Holdings Ltd group of companies.

2. Summary of significant accounting policies

2.1 Basis of preparation

The consolidated financial statements of the Group, and the balance sheet and the statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards ("FRS").

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars ("SGD" or "\$") and all values are rounded to the nearest thousand (\$'000) as indicated.

2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Group has adopted all the new and revised standards and Interpretations of FRS ("INT FRS") that are effective for annual periods beginning on or after 1 October 2011. The adoption of these standards and interpretations did not have any effect on the financial performance or position of the Group and the Company.

2.3 Standards issued but not yet effective

The Group has not adopted the following standards and interpretations that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to FRS 12, Deferred Tax: Recovery of Underlying Assets	1 January 2012
Amendments to FRS 1 Presentation of Items of Other Comprehensive Income	1 July 2012
Revised FRS 19 Employee Benefits	1 January 2013
FRS 113 Fair Value Measurement	1 January 2013
Amendments to FRS 107 Disclosures - Offsetting Financial Assets and Financial Liabilities	1 January 2013
Improvements to FRSs 2012	1 January 2013
- Amendment to FRS 1 Presentation of Financial Statements	1 January 2013
- Amendment to FRS 16 Property, Plant and Equipment	1 January 2013
- Amendment to FRS 32 Financial Instruments: Presentation	1 January 2013

30 September 2012

Effective for annual

2. Summary of significant accounting policies (cont'd)

2.3 Standards issued but not yet effective (cont'd)

Description	periods beginning on or after
Revised FRS 27 Separate Financial Statements	1 January 2014
Revised FRS 28 Investments in Associates and Joint Ventures	1 January 2014
FRS 110 Consolidated Financial Statements	1 January 2014
FRS 111 Joint Arrangements	1 January 2014
FRS 112 Disclosure of Interests in Other Entities	1 January 2014
Amendments to FRS 32 Offsetting Financial Assets and Financial Liabilities	1 January 2014

Except for the Amendments to FRS 1, the directors expect that the adoption of the other standards and interpretations above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of the Amendments to FRS 1 is described below.

Amendments to FRS 1, Presentation of Items of Other Comprehensive Income

The Amendments to FRS 1, Presentation of Items of Other Comprehensive Income ("OCI") is effective for financial periods beginning on or after 1 July 2012.

The Amendments to FRS 1 changes the grouping of items presented in OCI. Items that could be reclassified to profit or loss at a future point in time would be presented separately from items which will never be reclassified. As the Amendments only affect the presentations of items that are already recognised in OCI, the Group does not expect any impact on its financial position or performance upon adoption of this standard.

2.4 Basis of consolidation and business combinations

(a) Basis of consolidation

Basis of consolidation from 1 October 2009

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The accounting year-end of the subsidiaries incorporated in the People's Republic of China is 31 December which is not co-terminous with that of the holding company, Thai Village Holdings Ltd. The consolidated financial statements are prepared based on the management accounts of these subsidiaries for the 12 months ended 30 September 2012. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

30 September 2012

2. Summary of significant accounting policies (cont'd)

(a) Basis of consolidation (cont'd)

Basis of consolidation from 1 October 2009 (cont'd)

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- De-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost;
- De-recognises the carrying amount of any non-controlling interest;
- De-recognises the cumulative translation differences recorded in equity;
- Recognises the fair value of the consideration received;
- Recognises the fair value of any investment retained;
- Recognises any surplus or deficit in profit or loss;
- Re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

Basis of consolidation prior to 1 October 2009

Certain of the above-mentioned requirements were applied on a prospective basis. The following differences, however, are carried forward in certain instances from the previous basis of consolidation:

- Losses incurred by the Group were attributed to the non-controlling interest until the balance was reduced to nil. Any further losses were attributed to the Group, unless the non-controlling interest had a binding obligation to cover these. Losses prior to 1 October 2009 were not reallocated between non-controlling interest and the owners of the Company.
- Upon loss of control, the Group accounted for the investment retained at its proportionate share of net asset value at the date control was lost. The carrying value of such investments as at 1 October 2009 have not been restated.

(b) Business combinations

Business combinations from 1 October 2009

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in accordance with FRS 39 either in profit or loss or as a change to other comprehensive income. If the contingent consideration is classified as equity, it is not be remeasured until it is finally settled within equity.

(b) Business combinations (cont'd)

Business combinations from 1 October 2009 (cont'd)

In business combinations achieved in stages, previously held equity interests in the acquiree are remeasured to fair value at the acquisition date and any corresponding gain or loss is recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any) is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

Business combinations prior to 1 October 2009

In comparison to the above mentioned requirements, the following differences applied:

Business combinations are accounted for by applying the purchase method. Transaction costs directly attributable to the acquisition formed part of the acquisition costs. The non-controlling interest (formerly known as minority interest) was measured at the proportionate share of the acquiree's identifiable net assets.

Business combinations achieved in stages were accounted for as separate steps. Adjustments to those fair values relating to previously held interests are treated as a revaluation and recognised in equity. Any additional acquired share of interest did not affect previously recognised goodwill.

When the Group acquired a business, embedded derivatives separated from the host contract by the acquiree were not reassessed on acquisition unless the business combination resulted in a change in the terms of the contract that significantly modified the cash flows that otherwise would have been required under the contract.

Contingent consideration was recognised if, and only if, the Group had a present obligation, the economic outflow was more likely than not and a reliable estimate was determinable. Subsequent measurements to the contingent consideration were recognised as part of goodwill.

2.5 Transactions with non-controlling interests

Non-controlling interests represent the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company, and are presented separately in the consolidated statement of comprehensive income and within equity in the consolidated balance sheet, separately from equity attributable to owners of the Company.

Changes in the Company's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interests is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.6 Foreign currency

The Group's consolidated financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

(a) Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Group on disposal of the foreign operation.

(b) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

2.7 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Expenditure for additions, improvements and renewals are capitalised and expenditure for maintenance and repairs are recognised in profit or loss as incurred.

Depreciation of an asset begins when it is available for use, and is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold properties - over respective lease terms of 20 to 30 years

Furniture, fixtures and equipment - 5 - 8 years
Kitchen and restaurant equipment - 5 - 10 years
Motor vehicles - 5 years
Computers - 1 - 5 years
Operating supplies - 5 years

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful lives and depreciation methods are reviewed at each financial year-end, and adjusted prospectively if appropriate.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.7 Property, plant and equipment (cont'd)

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

2.8 Investments in subsidiaries

A subsidiary is an entity over which the Group has the power to govern the financial and operating policies so as to obtain benefits from its activities.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less any impairment losses.

2.9 Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition. The Group does not have any financial assets designated as held-to-maturity.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

(a) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. This category includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by FRS 39. Derivatives, including separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Subsequent to initial recognition, financial assets at fair value through profit or loss are measured at fair value. Any gains or losses arising from changes in fair value of the financial assets are recognised in profit or loss. Net gains or net losses on financial assets at fair value through profit or loss include exchange differences, interest and dividend income.

Derivatives embedded in host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss. Reassessment only occurs if there is a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.9 Financial assets (cont'd)

(b) Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Loan and receivables include trade debtors, other debtors, deposits, amounts due from subsidiaries (trade and non-trade), cash and cash equivalents and loan receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less any impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

(c) Available-for-sale financial assets

Available-for-sale financial assets include unquoted equity securities. Equity investments classified as available-for-sale are those, which are neither classified as held for trading nor designated at fair value through profit or loss.

Investment in unquoted equity shares whose fair value cannot be reliably measured is measured at cost less any impairment loss.

Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

Regular way purchase or sale of a financial asset

All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e. the date that the Group commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concerned.

2.10 Impairment of assets

The Group assesses at each reporting date whether there is any objective evidence that an asset or a group of assets is impaired.

(a) Impairment of financial assets

(i) Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Group first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.10 Impairment of assets (cont'd)

(a) Impairment of financial assets (cont'd)

(i) Financial assets carried at amortised cost (cont'd)

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor, and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

(ii) Financial assets carried at cost

If there is objective evidence (such as significant adverse changes in the business environment where the issuer operates, probability of insolvency or significant financial difficulties of the issuer) that an impairment loss on financial assets carried at cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment losses are not reversed in subsequent periods.

(b) Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value-in-use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value-in-use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs to sell, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Group's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years.

Impairment losses are recognised in profit or loss.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.10 Impairment of assets (cont'd)

(b) Impairment of non-financial assets (cont'd)

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Group estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously.

The Group does not reverse, in a subsequent period, any impairment loss previously recognised.

2.11 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, and short-term fixed deposits that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. Credit card transactions that process in less than seven days are classified as cash at bank.

2.12 Stocks

Stocks are stated at the lower of cost and net realisable value. Costs incurred in bringing the stocks to their present location and condition are accounted for on a first-in, first-out basis. Where necessary, allowance is provided for damaged, obsolete and slow-moving items to adjust the carrying value of stocks to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

2.13 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.14 Government grants

Government grants relating to Special Employment Credit are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Grants related to income may be presented as a credit in profit or loss. Alternatively, they are deducted in reporting the related expenses.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.15 Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs. The Group does not have any financial liabilities at fair value through profit or loss.

Subsequent measurement

After initial recognition, other financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

2.16 Employee benefits

(a) Defined contribution plans

The Group participates in the national pension scheme as defined by the laws of the countries in which it has operations. In particular, the Singapore companies in the Group make contributions to the Central Provident Fund ("CPF") scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension plans are recognised as an expense in the period in which the related service is performed.

(b) Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they accrue to the employees. The estimated liability for leave is recognised for services rendered by employees up to the end of the reporting period.

2.17 Leases

The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at inception date: whether fulfilment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1 January 2005, the date of inception is deemed to be 1 January 2005 in accordance with the transitional requirements of INT FRS 104.

As lessee

Operating lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.18 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty. The following specific recognition criteria must also be met before revenue is recognised:-

(a) Revenue from restaurant operations

Revenue from restaurant operations is recognised upon the billing of food and beverage (inclusive of 10% service charge) to customers. Revenue represents the invoiced value of food and beverage, net of discounts and sales levy but inclusive of the 10% service charge.

(b) Franchise and royalty fees

Initial franchise income is recognised upon the grant of rights, completion of the designated phases of the franchise setup and transfer of know-how to the franchisee in accordance with the terms stated in the franchise agreement. Royalty fees from franchisees are recognised on a periodic basis as a percentage of the franchisees' revenue or a pre-determined amount in accordance with terms as stated in the franchise agreements.

(c) Interest income

Interest income is recognised using the effective interest method.

2.19 Taxes

(a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(b) Deferred tax

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries, where the timing
 of the reversal of the temporary differences can be controlled and it is probable that the temporary
 differences will not reverse in the foreseeable future.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.19 Taxes (cont'd)

(b) Deferred tax (cont'd)

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authorities, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authorities is included as part of debtors or creditors in the balance sheets.

2.20 Segment reporting

For management purposes, the Group is organised into operating segments based on their products and services, whose operating results are regularly reviewed by the Group's chief operating decision maker to make decisions about resources to be allocated to the segments and assess the segment performance. Additional disclosures on each of these segments are shown in Note 31, including the factors used to identify the reportable segments and the measurement basis of segment information.

30 September 2012

2. Summary of significant accounting policies (cont'd)

2.21 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
 - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

2.22 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Company if that person:
 - (i) Has control or joint control over the Company;
 - (ii) Has significant influence over the Company; or
 - (iii) Is a member of the key management personnel of the Company or of a parent of the Company.
- (b) An entity is related to the Company if any of the following conditions applies:
 - (i) The entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
 - (iii) Both entities are joint ventures of the same third party.
 - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company.
 - (vi) The entity is controlled or jointly controlled by a person identified in (a).
 - (vii) A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

30 September 2012

3. Significant accounting estimates and judgements

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

3.1 Judgements made in applying accounting policies

In the process of applying the Group's accounting policies, management has made the following judgements, apart from those involving estimations, which have the most significant effect on the amounts recognised in the consolidated financial statements:

Impairment of available-for-sale investment

The Group evaluates, among other factors, the duration and extent to which the fair value of the financial asset is less than its cost, and the financial health of and near term business outlook for the financial asset, including factors such as industry and sector performance, changes in technology, and operational and financing cash flows. When the fair value declines, management exercises judgement based on the observable data relating to the possible events that may have caused the decline in value to determine whether the decline in value is an impairment that should be recognised in profit or loss. For the financial year ended 30 September 2012, the amount of impairment loss recognised for available-for-sale financial assets was \$Nii (2011: \$100,000).

Determination of functional currency

The Group measures foreign currency transactions in the respective functional currencies of the Company and its subsidiaries. In determining the functional currencies of the entities in the Group, judgement is required to determine the currency that mainly influences sales prices for goods and services and of the country whose competitive forces and regulations mainly determines the sales prices of its goods and services. The functional currencies of the entities in the Group are determined based on management's assessment of the economic environment in which the entities operate and the entities' process of determining sales prices.

3.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Fair value of financial instruments

Where the fair values of financial instruments recorded on the balance sheet cannot be derived from active markets, they are determined using valuation techniques including the discounted cash flow model. The inputs to these models are derived from observable market data where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. The judgments include considerations of liquidity and model inputs regarding the future financial performance of the investee, its risk profile, and economic assumptions regarding the industry and geographical jurisdiction in which the investee operates. Changes in assumptions about these factors could affect the reported fair value of financial instruments. The valuation of financial instruments is described in more detail in Note 33.

30 September 2012

3. Significant accounting estimates and judgements (cont'd)

3.2 Key sources of estimation uncertainty (cont'd)

Useful lives of property, plant and equipment

The costs of property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives. Management estimates the useful lives of these property, plant and equipment to be within 1 to 30 (2011: 1 to 30) years. Changes in the expected level of usage could impact the economic useful lives of these assets, therefore future depreciation charges could be revised. The carrying amount of the Group's property, plant and equipment at the end of each reporting period is disclosed in Note 4 to the financial statements. A 5% (2011: 5%) difference in the expected useful lives of these assets from management's estimates would result in approximately 3.0% (2011: 3.0%) variance in the Group's net profit for the financial year.

Impairment of non-financial assets

An impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs to sell and its value in use. The fair value less costs to sell calculation is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less incremental costs for disposing the asset. The value in use calculation is based on a discounted cash flow model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the cash generating unit being tested. The recoverable amount is most sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash inflows and the growth rate used for extrapolation purposes. Impairment on property, plant and equipment is disclosed in Note 4 to the financial statements.

Impairment of loans and receivables

The Group assesses at the end of each reporting period whether there is any objective evidence that a financial asset is impaired. To determine whether there is objective evidence of impairment, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amount of the Group's loans and receivables at the end of the reporting period is disclosed in Note 10 to the financial statements.

Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations and the amount and timing of future taxable income. Given the wide range of international business relationships and the long-term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax provisions already recorded. The Group establishes provisions, based on reasonable estimates, for possible consequences of audits by the tax authorities of the respective countries in which it operates. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the relevant tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective Group company's domicile.

The carrying amounts of the Group's and the Company's income tax payable as at 30 September 2012 are \$551,000 (2011: \$493,000) and \$199,000 (2011: \$56,000) respectively. The carrying amount of the Group's deferred tax liabilities as at 30 September 2012 is \$125,000 (2011: \$137,000).

^{*} In the prior year, additions of \$120,000 relates to reinstatement costs for dismantling, removal and restoration of property, plant and equipment which was provided for as provision for reinstatement costs (Note 15). Cash payments of \$1,415,000 (2011: \$313,000) were made to purchase property, plant and equipment during the financial year.

Impairment of property, plant and equipment

During the financial year, a subsidiary of the Group within the Restaurant operations segment carried out a review of the recoverable amount of its plant and equipment because it had been making operating losses. An impairment loss of \$58,000 (2011: \$202,000), representing the write-down of its assets to their recoverable amount is recognised in "Other expenses" (Note 25) line item of profit or loss for the financial year ended 30 September 2012. The recoverable amount of the plant and equipment was based on its value-in-use and the pre-tax discount rate is 5.00% (2011: 5.00%) per annum.

30 September 2012

5. Investment in unquoted equity shares

	Gro	Group		
	2012	2011		
	\$'000	\$'000		
Available-for-sale financial assets:				
Unquoted equity shares, at cost	100	100		
Impairment loss	(100)	(100)		

Unquoted equity shares are denominated in Singapore dollars.

Unquoted equity shares were measured at cost less accumulated impairment loss. The fair value cannot be reliably measured as these unquoted equity shares do not have quoted market prices in an active market and it is not practicable to determine the fair value using valuation models as the assumptions in these models cannot be reasonably determined.

In the prior year, the Group recognised an impairment loss of \$100,000 in unquoted equity shares, reflecting a write-down in the carrying value of the shares, based on the Group's share of the assets of the investee in 2011 as there was a "significant" or "prolonged" decline in the fair value of the investment below its cost. The Group treats "significant" generally as 5% and "prolonged" as greater than 12 months. There was no such impairment loss being recognised during the financial year.

6. Investments in subsidiaries

- @ Cost of investment is less than \$1,000.
- # On 2 November 2011, a subsidiary company, Thai Village Restaurant Pte. Ltd. ("TVR"), entered into a sale and purchase agreement to acquire all of the remaining shares of its subsidiary company, The Noodle Expert Pte. Ltd. ("TNE"), for a cash consideration of \$1. As a result, TNE became a wholly-owned subsidiary company of TVR. The principal activities of TNE are those of an operator of food and beverage outlet. Subsequently, TNE had ceased its business operations on 15 November 2011.
- ## On 31 March 2011, Thai Village Sharksfin Restaurant (Yunnan) Co., Ltd had ceased business operations.
- ### A subsidiary, Thai Village Overseas Ventures Pte. Ltd. ("TVOV"), entered into a Co-operative Joint Venture ("CJV") Agreement with Shanghai Cheng Qiao Zi Chan Jing Ying You Xian Gong Si ("SCQZCJY") for the setting up of a co-operative joint venture known as Shanghai Thai Village Restaurant Management Co., Ltd ("Shanghai TV RMC") in 2002. Under the relevant laws of the People's Republic of China, Shanghai TV RMC holds the status of a Chinese legal person and is recognised as TVOV's investment entity in the People's Republic of China. The investment in Shanghai TV RMC was transferred to Thai Village (China) Pte. Ltd. ("TVC") in 2005. Under the terms of the CJV Supplemental Agreement, TVC is entitled to receive all profits from Shanghai TV RMC after paying SCQZCJY a fixed sum of US\$20,000 annually regardless of whether profits are made for the year. The CJV Agreement also provides that TVC shall have control over Shanghai TV RMC's business operations. Other than the US\$20,000 return per annum and the original 6.25% capital injected, SCQZCJY will not be entitled to any share of assets and liabilities of Shanghai TV RMC in the event of winding up.

7. Loan receivable

Loan receivable comprise a loan to an external party for a logistic project in which the Company is entitled to a return of 5% of the net gain attributable to the disposal of the project, subject to a guaranteed minimum return of \$1 million.

The balance is unsecured, interest-free and repayable by 31 December 2013.

8. Derivative asset

Derivative asset relates to guaranteed minimum return arising from loan to an external party. The fair value of the derivative asset is computed by discounting the guaranteed minimum return using an assumed discount rate of 24% per annum.

The carrying amount of the financial asset at fair value through profit or loss is \$764,000 as at 30 September 2012 (2011: Nil) and is denominated in Singapore dollars.

Impairment loss	(45)	(45)	
_			
Movements in allowance account:			
At 1 October	45	_	
Charge for the financial year	_	41	
Translation differences		4	
At 30 September	45	45	

In the prior year, an allowance for impairment of \$41,000 was recognised in profit or loss by the Group subsequent to a debt recovery assessment performed on other debtors as at the end of the reporting period.

Other debtors that are individually determined to be impaired at the end of the reporting period relate to another debtor that is in significant financial difficulties. This debtor is not secured by any collateral or credit enhancements.

The Company does not have any other debtors that are individually or collectively impaired. In addition, the Group and the Company do not have any other debtors that are past due but not impaired.

12. Amounts due from subsidiaries (trade and non-trade)

Amounts due from subsidiaries (trade)

The trade amounts due from subsidiaries arose from the provision of management and consultation services by the Company to its subsidiaries. These amounts are unsecured, interest-free and are repayable on demand.

Included in the Company's trade amounts due from subsidiaries is an amount of \$617,000 (2011: \$791,000) denominated in Renminbi.

Amounts due from subsidiaries that are impaired

For the financial year ended 30 September 2012, a write-back of \$152,000 for impairment loss (2011: impairment loss of \$185,000) was recognised in profit or loss of the Company.

Amounts due from subsidiaries that are individually determined to be impaired at the end of the reporting period relate to debtors that are in significant financial difficulties and have defaulted on payments. These debtors are not secured by any collateral or credit enhancements. There are no balances that are collectively determined to be impaired.

30 September 2012

12. Amounts due from subsidiaries (trade and non-trade) (cont'd)

Amounts due from subsidiaries (non-trade)

The non-trade amounts due from subsidiaries are unsecured, interest-free and are repayable on demand.

For the financial year ended 30 September 2012, non-trade amount of \$365,000 (2011: Nil) due from a subsidiary was written off. The subsidiary has been suffering significant financial losses and has ceased business operations during the year.

The Company does not have any non-trade amounts due from subsidiaries that are collectively and individually impaired nor any amounts that are past due but not impaired.

13. Cash and cash equivalents

	Gro	oup	Com	oany
	2012 \$'000	2011 \$'000	2012 \$'000	2011 \$'000

Deferred tax liabilities :-		
Balance as at 1 October	137	151
(Credit)/charge during the financial year	(12)	(14)
Balance as at 30 September	125	137

Deferred tax liabilities arose from excess of net carrying value over tax written down value of property, plant and equipment.

Deferred tax assets not recognised as at 30 September relate to the following :-

	Gro	up
	2012	2011
	\$'000	\$'000
Unutilised tax losses	(56)	(108)

As at 30 September 2012, the Group has unutilised tax losses carried forward from certain subsidiaries of approximately \$327,000 (2011: \$634,000), available for offset against future taxable income. The potential deferred tax assets arising from these unutilised tax losses have not been recognised as taxable profits from the subsidiaries against which the deferred tax assets can be utilised is uncertain. The use of these tax losses is subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation of the respective countries in which the companies operate.

Tax consequences of proposed dividends

There are no income tax consequences (2011: Nil) attached to the dividends to the shareholders proposed by the Company but not recognised as a liability in the financial statements (Note 28).

18. Share capital

		Group and	d Company

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions. The ordinary shares have no par value.

30 September 2012

Statutory reserve 19.

In accordance with the Foreign Enterprise Law applicable to the subsidiaries in the People's Republic of China ("PRC"), the subsidiaries are required to make appropriation to a Statutory Reserve Fund ("SRF"). At least 10% of the statutory after tax profits as determined in accordance with the applicable PRC accounting standards and regulations must be allocated to the SRF until the cumulative total of the SRF reaches 50% of the subsidiaries' registered capital. Subject to approval from the relevant PRC authorities, the SRF may be used to offset any accumulated losses or increase the registered capital of the subsidiaries. The SRF is not available for dividend distribution to shareholders.

20. Foreign currency translation reserve

The foreign currency translation reserve represents exchange differences arising from the translation of the financial statements of foreign operations whose functional currencies are different from that of the Group's presentation currency.

21. Revenue

The above reconciliation is prepared by aggregating separate reconciliations for each national jurisdiction.

30 September 2012

27. Earnings per share (basic and diluted)

Both basic and diluted earnings per share are calculated by dividing the Group's net profit attributable to owners of the Company of \$1,647,000 (2011: \$1,686,000) by the weighted average number of 207,748,700 (2011: 207,748,700) ordinary shares outstanding during the financial year.

The basic and diluted earnings per share are the same as the Group did not have any dilutive potential ordinary shares outstanding as at 30 September 2012 and 2011.

There have been no other transactions involving ordinary shares or potential ordinary shares since the reporting date and before the completion of these financial statements.

28. Dividends

	2012	Company 2011
	\$'000	\$'000
Declared and paid during the financial year: Dividends on ordinary shares:		
- Final exempt (one-tier) dividend for 2011: 0.8 (2010: 0.9) cents per share	1,662	1,869
Proposed but not recognised as a liability as at 30 September:		
Dividends on ordinary shares, subject to shareholders' approval at the Annual General Meeting:		1.000
- Final exempt (one-tier) dividend for 2012: 0.8 (2011: 0.8) cents per share	1,662	1,662

29. Significant related party transactions

In addition to the related party information disclosed elsewhere in the financial statements, the following significant transactions between the Group and related parties took place at terms agreed between the parties during the financial years:

Compensation of key management personnel

	Group	
	2012	2011
	\$'000	\$'000
Directors' remuneration:		
Directors' fees	318	320
Directors' remuneration	2,172	1,592
Contribution to defined contribution plans	25	22
	2,515	1,934
Key executive officers' remuneration:		
Executive officers' remuneration	590	592
Contributions to defined contribution plans	54	51
	644	643
Remuneration paid to employees related to directors or substantial shareholders:		
Employees' remuneration	156	174
Contributions to defined contribution plans	18	19
	174	193

30 September 2012

30. Commitments

(a) Capital commitments

The Group does not have any capital commitments contracted for as at 30 September 2012 but not recognised in the financial statements.

(b) Operating lease commitments – as lessee

The Group has various operating lease agreements for the rental of restaurants, staff quarters and warehouse premises. These leases have an average tenure of between 1 to 30 (2011: 1 to 30) years, with renewal options included in a few contracts. Lease terms do not contain restrictions on the Group's activities concerning dividends, additional debt or further leasing.

Minimum lease payments recognised as an expense in profit or loss for the financial year ended 30 September 2012, amounted to \$3,222,000 (2011: \$3,162,000). No contingent rents were paid during the financial years ended 2012 and 2011.

Future minimum rentals under non-cancellable operating leases as at 30 September are as follows:

	Group		
	2012	2011	
	\$'000	\$'000	
Within 1 year	3,110	3,251	
Within 2 to 5 years	5,090	5,377	
More than 5 years	940	374	
	9,140	9,002	

31. Segment information

For management purposes, the Group is organised on a worldwide basis into two main reportable segments as follows:

- Restaurant operations, which mainly relate to operation of restaurant outlets; and
- Restaurant management services, which mainly relate to management fees from restaurants, franchise fees and royalties from franchisees.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements. Group financing (including finance costs) and income taxes are managed on a group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

30 September 2012

Others	160	160		
	25,881	28,872	3,010	3,149

Non-current assets information presented above consist of property, plant and equipment as presented in the consolidated balance sheet.

32. Financial risk management objectives and policies

The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, foreign currency risk, interest rate risk and liquidity risk.

The Group's overall strategies, tolerance of risks, and general risk management philosophy are determined by the Board in accordance with prevailing economic and operating conditions. The Audit Committee provides independent oversight to the effectiveness of the risk management process. It is, and has been throughout the current and previous financial year, the Group's policy that no trading in derivatives for speculative purposes shall be undertaken.

30 September 2012

32. Financial risk management objectives and policies (cont'd)

The following sections provide details regarding the Group's and Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There have been no changes to the Group's exposure to these financial risks or the manner in which it manages and measures the risks.

Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other debtors. For other financial assets (including loan receivable, cash and cash equivalents and derivative asset), the Group and the Company minimize credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. It is the Group's policy that all parties who wish to trade on credit terms are subject to credit verification procedures. In addition, debtors balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

As at 30 September 2012, approximately 53% (2011: 49%) of trade debtors relates to 3 (2011: 5) debtors.

Credit risk concentration profile

The Group determines concentrations of credit risk by monitoring the country and business sector profile of its trade debtors on an ongoing basis. The credit risk concentration profile of the Group's trade debtors at the end of the reporting period is as follows:-

	Group			
	20	2012		011
	\$'000	% of total	\$'000	% of total
By country:				
Singapore	8	8	1	1
People's Republic of China	82	77	112	84
Others	16	15	21	15
	106	100	134	100
By business sectors :				
Restaurant operations	20	19	13	10
Restaurant management services	86	81	121	90
	106	100	134	100

Financial assets that are neither past due nor impaired

Trade and other debtors that are neither past due nor impaired are creditworthy debtors with good payment record with the Group. Cash and cash equivalents, loan receivable and derivative asset that are neither past due nor impaired are placed with or entered into with reputable financial institutions or companies with high credit ratings and no history of default.

Financial assets that are either past due or impaired

Information regarding financial assets that are either past due or impaired is disclosed in Notes 10, 11 and 12 to the financial statements.

30 September 2012

32. Financial risk management policies and objectives (cont'd)

Foreign currency risk

The Group has foreign currency risk exposures mainly in Renminbi.

Management monitors foreign exchange exposures and will consider hedging significant foreign currency exposure should the need arises. It is the policy of the Group not to trade in any foreign exchange forward contracts.

The Group maintains a natural hedge, wherever possible, by matching the foreign currency assets against its liabilities. However, the Group continues to be exposed to foreign currency risks relating to any immaterial amounts.

Foreign exchange exposures in transactional currencies, other than functional currencies of the operating entities, are kept to an acceptable level. In relation to its overseas investment in its foreign subsidiaries whose net assets are exposed to currency translation risk and which are held for long-term investment purposes, the differences arising from such translation are captured under the foreign currency translation reserve. These translation differences are reviewed and monitored on a regular basis.

As a result, the Group has maintained its foreign currency risk exposure to be minimal.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates. The Group's and the Company's exposure to interest rate risk arises primarily from their interest-bearing fixed deposits.

Sensitivity analysis for interest rate risk

The table below demonstrates the sensitivity to a reasonably possible change in interest rates with all other variables held constant, on the Group's profit before taxation:

	Gro	oup
	Increase/ decrease in basis points	Effect on profit before taxation \$'000
2012		
Singapore dollars	50	45
Renminbi	50	24
Singapore dollars	(50)	(45)

2011		
Singapore dollars	50	50
Renminbi	50	32
Singapore dollars	(50)	(50)
Renminbi	(50)	(32)

Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a level of cash to meet the obligations and commitments due and to ensure cash efficiency whereby maximisation of cash flow position can be achieved.

30 September 2012

32. Financial risk management policies and objectives (cont'd)

Liquidity risk (cont'd)

The table below summarises the maturity profile of the Group's and the Company's financial assets and liabilities at the end of the reporting period based on contractual undiscounted repayment obligations:

30 September 2012

33. Fair value of financial instruments

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction, other than in a forced or liquidation sale.

The following methods and assumptions are used to estimate the fair value of each class of financial instrument for which it is practicable to estimate fair value:

A. Fair value of financial instruments by classes that are carried at fair value

The following table shows an analysis of financial instruments carried at fair value by level of fair value hierarchy:

		oup 012 000		
	Quoted prices in active markets for identical instruments	Significant observable inputs other than quoted prices	Significant unobservable inputs	Total
	(Level 1)	(Level 2)	(Level 3)	
Financial asset:				
Derivative asset (Note 8)	_	764	_	764
At 30 September 2012	_	764	_	764

There were no financial instruments being carried at fair value for the financial year ended 30 September 2011.

Fair value hierarchy

The Group classifies fair value measurement using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices), and
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable inputs)

Determination of fair value

Derivative asset

The fair value of the derivative asset is computed by discounting the guaranteed minimum return using an assumed discount rate of 24% per annum.

30 September 2012

33. Fair value of financial instruments (cont'd)

B. Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value

Investment in unquoted equity shares

Fair value information has not been disclosed for the Group's investment in unquoted equity shares that is carried at cost because the fair value cannot be measured reliably. These unquoted equity shares represent ordinary shares in a company that is not quoted on any market and do not have any comparable industry peer that is listed. The Group does not intend to dispose of this investment in the foreseeable future.

C. Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

Trade debtors, amounts due from subsidiaries (trade), trade creditors, deposits (current), other debtors, other creditors and accruals, amounts due from subsidiaries (non-trade), and amounts due to directors

The carrying amounts of these balances approximate their fair values due to their short-term nature.

Deposits (non-current) and loan receivable

Management believes that the carrying amount recorded at the balance sheet date approximates its fair value, as the interest rates used to amortise the non-current deposits and loan receivable closely approximate the market interest rates on or near the end of the reporting period.

Fixed deposits, and cash and cash equivalents

The carrying amounts of these balances approximate their fair values due to their short-term and liquid nature.

34. Capital management

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the financial years ended 30 September 2012 and 2011.

As disclosed in Note 19, a few subsidiaries of the Group is required by the Foreign Enterprise Law of the PRC to contribute to and maintain a non-distributable reserve fund whose utilisation is subject to approval by the relevant PRC authorities. This externally imposed capital requirement has been complied with by the above-mentioned subsidiaries for the financial years ended 30 September 2012 and 2011.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group's policy is to keep the gearing ratio between 15% to 30% (2011: 15% to 30%). The Group includes trade and other creditors within net debt. Total capital includes equity attributable to owners of the Company less the abovementioned restricted reserve fund.

30 September 2012

34. Capital management (cont'd)

	Group		
	2012 \$'000	2011 \$'000	
Net debt	3,640	4,981	
Total capital	17,988	18,121	
Total capital and net debt	21,628	23,102	
Gearing ratio	17%	22%	

Authorisation of financial statements for issue

The financial statements for the financial year ended 30 September 2012 were authorised for issue in accordance with a resolution of the directors on 12 December 2012.

Thai Village Holdings Ltd (the "Company") is committed to maintaining a high standard of corporate governance within the Company and its subsidiaries (the "Group"). Good corporate governance establishes and maintains an ethical environment in the Group, which strives to enhance the interests of the shareholders of the Company (the "Shareholders"). This Report describes the Company's corporate governance processes and activities with specific reference to the Code of Corporate Governance 2005 (the "Code"). For ease of reference, specific reference is made to the Principles and Guidelines of the Code.

1. **Board Matters**

The Board's conduct of affairs

Principle 1: Every company should be headed by an effective Board to lead and control the Company. The Board is collectively responsible for the success of the company. The Board works with Management to achieve this and the Management remains accountable to the Board.

Board Composition and Guidance

Principle 2: There should be a strong and independent element on the Board, which is able to exercise objective judgement on corporate affairs independently, in particular, from Management. No individual or small group of individuals should be allowed to dominate the Board's decision making.

The Board comprises six (6) directors, three of whom are executive directors, and three are independent and nonexecutive directors. The executive directors are Dr John Chen Seow Phun, Mr Lee Tong Soon and Mr Kok Nyong Patt. The independent and non-executive directors are Ms Julia Kwok Yung Chu, Mr Hoon Tai Meng and Mr Foo Der Rong. Their combined wealth and diversity of experience enable them to contribute effectively to the strategic growth and governance of the Group. A brief profile of each Director is set out on page 8 and 9 of this Annual Report.

The Board's principal functions include, among others, supervising the overall management of the business and affairs of the Group and approving the Group's corporate and strategic policies and direction.

Matters which are specifically reserved for the approval of the Board include, amongst others, any material acquisitions and disposals of assets and major undertakings (other than in the ordinary course of business).

Certain functions have been delegated to various board committees, namely, the Audit Committee, the Nominating Committee and the Remuneration Committee, which would make recommendations to the Board. These committees which operate within clearly defined terms of reference, play an important role in ensuring good corporate governance in the Company and within the Group.

In financial year 2012 ("FY2012"), the Board conducted two meetings. In addition to physical meetings, the Company's Articles of Association (the "Articles") also provide for Board meetings to be conducted by way of tele-conferencing, provided that the requisite quorum of at least two directors is present.

The number of Board and various board committees meetings held in FY2012 and the attendance of each Board member at those meetings are as follows:-

	Во	ard	Audit Committee		Nominating Committee		Remuneration Committee	
	No. of meetings held	No. of meetings attended	No. of meetings held	No. of meetings attended	No. of meetings held	No. of meetings attended	No. of meetings held	No. of meetings attended
John Chen Seow Phun ⁽²⁾	2	2	2	2(2)	1	1	1	1
Lee Tong Soon	2	2	2	2(1)	1	1 (1)	1	1 (1)
Lee Tong Kuon(3)	2	1	2	NA	1	NA	1	NA
Kok Nyong Patt	2	2	2	NA	1	NA	1	NA
Julia Kwok Yung Chu	2	2	2	2	1	1	1	1
Hoon Tai Meng	2	2	2	2	1	1	1	1
Foo Der Rong ⁽⁴⁾	2	2	2	2	1	NA	1	NA

- (1) Attended the meeting as an invitee.
- (2) John Chen Seow Phun ("<u>Dr Chen</u>") was re-designated as an Executive Chairman on 1 May 2012. Following Dr Chen's re-designation, Dr Chen had ceased to be the Chairmen of the Audit Committee and Nominating Committee, and member of the Remuneration Committee. Dr Chen had attended an Audit Committee meeting as invitee in May 2012.
- (3) Lee Tong Kuon resigned as an Executive Director on 16 April 2012.
- (4) Foo Der Rong was appointed as an Independent Director on 1 May 2012.

New directors, upon appointment, are briefed on the business and organisational structure of the Group. There are update sessions to inform the directors on new legislation and/or regulations which are relevant to the Group.

1.3 Chairman and Chief Executive Officer ("CEO")

Principle 3: There should be a clear division of responsibilities at the top of the company – the working of the Board and the executive responsibility of the company's business – which will ensure a balance of power and authority, such that no one individual represents a considerable concentration of power.

Dr Chen was re-designated as an executive chairman of the Board (the "Chairman") on 1 May 2012.

Mr Lee Tong Soon ("<u>Mr Lee</u>") had relinquished his position as the Chairman of the Board, whilst remaining as the managing director of the Company (the "<u>Managing Director</u>"). As the Managing Director, Mr Lee is responsible for, among others, exercising control over quality, quantity and timeliness of the flow of information between the management of the Company (the "<u>Management</u>") and the Board, and assisting in ensuring compliance with the Company's quidelines on corporate governance.

There is a distinct separation of responsibilities between the Executive Chairman and the Managing Director which ensures that there is a balance of power and authority, increased accountability and greater capacity of the Board for independent decision-making at the top of the Company. These posts are held by Dr Chen and Mr Lee respectively.

The Chairman leads the Board and is responsible for the effective working of the Board including:

- scheduling of meetings (with the assistance of the Company Secretary) to enable the Board to perform its duties while not interfering with the flow of the Group's operations;
- preparing the meeting agenda (in consultation with the Managing Director);
- ensuring that Board meetings are held when necessary;
- facilitating contributions from the Non-Executive Directors and encouraging constructive relationships between the Directors;
- exercising control over the quality, quantity and timeliness of information flow to the Board, ensuring effective communication with the Company's shareholders;
- ensuring, fostering constructive and effective communication with shareholders; and
- encouraging high standards of corporate governance.

2. Nominating Committee ("NC")

2.1 Board Membership

Principle 4: There should be a formal and transparent process for the appointment of new directors to the Board.

The NC was set up on 30 September 2002 and comprises three independent and non-executive directors, namely Ms Julia Kwok Yung Chu ("Ms Kwok"), Mr Hoon Tai Meng and Mr Foo Der Rong.

The NC has adopted specific written terms of reference. According to the terms of reference of the NC, the members of the NC are responsible for, among others, the appointment and re-nomination of directors having regard to their independence, qualifications, performance and contributions. The NC reviews and assesses candidates for directorships before making recommendations to the Board. In recommending new directors to the Board, the NC takes into consideration the skills and experience required to support the Group's business activities, the current composition and size of the Board, and strives to ensure that the Board, as a whole, possesses the core competencies required by the Code. In view of the foregoing, the Board is of the view that there are adequate processes for the appointment of new directors.

The NC adopted the Code's definition on what constitutes an independent director under guidance note 2.1 (a) to (d) of the Code.

For FY2012, the NC is of the view that:-

- (a) all the NC members are independent (as defined in the Code) and able to exercise objective judgement on corporate affairs of the Group independently from Management;
- (b) there is no individual or small group of individuals on the Board who dominate the Board's decision making process; and
- (c) the Board as a whole, possesses core competencies required for the effective conduct of the affairs and operations of the Group.

The Code recommends that all directors should be required to submit themselves for re-nomination and re-election at regular intervals. In this regard, the Articles provide as follows:-

Article 107 provides that one-third of the Directors for the time being (other than the Managing Director), or if their number is not three or a multiple of three, then the number nearest one-third, shall retire from office, Provided Always that all Directors (except the Managing Director) shall retire from office at least once every three years.

Article 109 provides that a retiring Director shall be eligible for re-election at the meeting at which he retires.

Article 117 provides that any Director appointed during the financial year, shall hold office only until the next Annual General Meeting of the Company, and shall be eligible for re-election.

The Directors retiring by rotation pursuant to Articles 107 and 117 of the Company's Articles of Association at the forthcoming Annual General Meeting ("AGM") are Dr Chen (Article 107), Mr Kok Nyong Patt (Article 107) and Mr Foo Der Rong (Article 117) respectively. The NC has recommended Dr Chen, Mr Kok Nyong Patt and Mr Foo Der Rong for reelection at the forthcoming AGM to be held on 22 January 2013.

2.2 Board Performance

Principle 5: There should be a formal assessment of the effectiveness of the Board as a whole and the contribution by each director to the effectiveness of the Board.

As stated above, one of the terms of reference of the NC is to review and evaluate the performance of each director and the Board as a whole for each financial year.

The review parameters for evaluating each director include, among others, the following:-

- (a) attendance at board/committee meetings;
- (b) participation at meetings;
- (c) involvement in management; and
- (d) availability for consultation and advice, when required.

The Board is of the view that the performance of the Company's share price alone does not necessarily give a good indication of the performance of the Company and hence the performance of the Board as a whole. Instead, the Board has identified the Group's turnover and profit before tax to be a better performance criteria to assess the performance of the Board.

Although the executive chairman and the independent and non-executive directors hold board representations in companies (including listed companies) which are not within the Group, the Board is of the view that such multiple board representations of the directors do not hinder their ability to carry out their duties as directors of the Company. Further, the Board is also of the view that such multiple board representations of the directors benefit the Group, as the directors are able to bring with them the experience and knowledge obtained from such board representations in other companies.

Key information regarding the directors of the Company are as follows:-

Name of Director	John Chen Seow Phun
Shareholding in the Company (as at 13 December 2012)	Dr Chen is deemed to be interested in 22,252,725 Shares held by Unigold Asia Limited and 62,500 Shares held by his spouse. (as set out on page 13 of the AR)
Board Committees Served	None
Date of first appointment as director	13 December 2001
Date of re-designated as Executive Chairman	1 May 2012
Date of last re-election as director	20 January 2010 Up for re-election at the AGM to be held on 22 January 2013.
Present Directorships in other listed companies	Hiap Seng Engineering Ltd OKP Holdings Limited Hanwell Holdings Ltd (previously known as PSC Corporation Ltd) Matex International Limited HLH Group Limited Tat Seng Packaging Group Ltd Fu Yu Corporation Limited
Past Directorships in other listed companies (within the last 3 years)	Hongguo International Holdings Limited

Name of Director	Lee Tong Soon
Shareholding in the Company (as at 13 December 2012)	23,528,226 Shares (as set out on page 13 of the AR) Mr Lee is also deemed interested in 12,500 Shares held by his spouse.
Board Committees Served	None
Date of first appointment as director	15 November 1999
Date of last re-election as director	Not Applicable. Mr. Lee is the Managing Director of the Company since incorporation. As such, he is not subject to re-election according to Article 107 as set out above.
Present Directorships in other listed companies	Nil
Past Directorships in other listed companies (within the last 3 years)	Nil

Name of Director	Kok Nyong Patt
Shareholding in the Company (as at 13 December 2012)	22,815,225 Shares (as set out on page 13 of the AR) Mr Kok Nyong Patt is also deemed interested in 12,500 Shares held by his spouse.
Board Committees Served	None
Date of first appointment as director	15 November 1999

Present Directorships in other listed companies	Nil
Past Directorships in other listed companies (within the last 3 years)	Hanwell Holdings Ltd (previously known as PSC Corporation Ltd) INTRACO Limited Tat Seng Packaging Group Ltd

2.3 Access to information

Principle 6: In order to fulfill their responsibilities, Board members should be provided with complete, adequate and timely information prior to board meetings and on an on-going basis.

For FY2012, Management provided the members of the Board with management accounts on a half-yearly basis, as well as relevant background information and documents relating to items of business to be discussed at a Board meeting before the scheduled meeting.

The Board (whether individually and as a group) has, in the furtherance of its duties, access to independent professional advice, if necessary, at the Company's expense.

The Board has independent access to the Company Secretary, who provides the Board with regular updates on the requirements of the Companies Act and all the rules and regulations of the SGX-ST. In FY2012, the company secretaries attended the Nominating Committee meeting, Remuneration Committee meeting, two Audit Committee meetings and two Board meetings. The company secretaries assist the Board to ensure that the Board procedures and the rules and regulations relating thereto are complied with.

3. Remuneration Matters

3.1 Procedures for Developing Remuneration Policies

Principle 7: There should be a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of individual directors. No director should be involved in deciding his own remuneration.

The Group's remuneration policy is to provide compensation packages at market rates which reward successful performance and attract, retain and motivate directors and key management executives.

The Remuneration Committee ("RC") comprises three members, all are independent and non-executive directors, namely Mr Foo Der Rong ("Mr Foo")(appointed on 1 May 2012), Mr Hoon Tai Meng and Ms Kwok. The chairman of the RC is Mr Foo. The RC has adopted written terms of reference.

According to the terms of reference of the RC, the functions of the RC include, among others, the setting up and implementation of formal and transparent processes by which the remuneration packages of all the executive directors (in the form of service agreements) and at least the top five executives (in terms of aggregate remuneration and not being directors) are formulated and approved.

No director or member of the RC shall be involved in deciding his own remuneration, except for providing information and documents specifically requested by the RC to assist it in its deliberations.

3.2 Level and Mix of Remuneration

Principle 8: The level of remuneration should be appropriate to attract, retain and motivate the directors needed to run the company successfully but companies should avoid paying more than is necessary for this purpose. A significant proportion of executive directors' remuneration should be structured so as to link rewards to corporate and individual performance.

According to the respective service agreements of the executive directors:-

- (a) the term of service will expire on 31 March 2013 and to be renewed for a further of three (3) years with effect from 1 April 2013. Both are subject to review thereafter;
- (b) the remuneration include, among others, a fixed salary and a variable performance bonus, which is designed to align the executive directors' interests with that of the Shareholders; and
- (c) there are no onerous compensation commitments on the part of the Company in the event of an early termination of the service of the executive director.

The independent and non-executive directors do not have any service agreements with the Company. Save for directors' fees, which have to be approved by the Shareholders at every AGM, the independent and non-executive directors do not receive any remuneration from the Company.

The Company currently does not have any employee share option schemes.

3.3 Disclosure on Remuneration

Principle 9: Each company should provide clear disclosure of its remuneration policy, level and mix of remuneration, and the procedure for setting remuneration in the company's annual report. It should provide disclosure in relation to its remuneration policies to enable investors to understand the link between remuneration paid to directors and key executives, and performance.

A breakdown of the level and mix of remuneration paid to each director in remuneration bands of S\$250,000 for FY2012 are as follows:-

Name	Below S\$250,000		Between S\$250,000 and S\$499,999		Between S\$500,000 and S\$750,000	
		%		%		%
John Chen Seow Phun	Salary	_	Salary	55	Salary	_
	Fees	_	Fees	25	Fees	_
	Bonus	_	Bonus	_	Bonus	_
	Other benefits	_	Other benefits	20	Other benefits	_
Lee Tong Soon	Salary	_	Salary	_	Salary	55
	Fees	_	Fees	_	Fees	8
	Bonus	_	Bonus	_	Bonus	4
	Other benefits	_	Other benefits	_	Other benefits	33
Kok Nyong Patt	Salary	_	Salary	_	Salary	56
	Fees	_	Fees	_	Fees	8
	Bonus	_	Bonus	_	Bonus	5
	Other benefits	_	Other benefits		Other benefits	31
Julia Kwok Yung Chu	Salary	_	Salary	_	Salary	_
	Fees	100	Fees	_	Fees	_
	Bonus	_	Bonus	_	Bonus	_
	Other benefits	_	Other benefits	_	Other benefits	_
Hoon Tai Meng	Salary	-	Salary	_	Salary	_
	Fees	100	Fees	_	Fees	_
	Bonus	_	Bonus	_	Bonus	_
	Other benefits	_	Other benefits	_	Other benefits	_
Foo Der Rong	Salary	_		_		_
(Appointed on 1 May 2012)	Fees	100		_		_
- ,	Bonus	_		_		_
	Other benefits	_		_		_

For FY2012, the remuneration paid to each of the top five (5) key executives (in terms of salary and who are not directors of the Company) was less than S\$250,000. A breakdown of the level and mix of remuneration of these top five (5) key executives is as follows:-

Name	Breakdown	
		%
Oh Kok Thai	Salary Bonus Other benefits	79 6 15
Chiang Kian Ngee	Salary Bonus Other benefits	82 4 14
Hau Ee Boon	Salary Bonus Other benefits	80 7 13
Venetia Yong Chin Ching	Salary Bonus Other benefits	77 6 17
Hau Ee Beng	Salary Bonus Other benefits	82 4 14

None of these employees of the Company are related to directors of the Company.

The Board has not included a separate annual remuneration report in its annual report for FY2012 (as suggested by guidance note 9.1 of the Code) as the Board is of the view that the matters which are required to be disclosed in the annual remuneration report have already been sufficiently disclosed in this Report and in the financial statements of the Company.

4. Accountability and Audit

4.1 Accountability

Principle 10: The Board should present a balanced and understandable assessment of the Company's performance, position and prospects.

The financial results of the Company will be published via SGXNET on a half yearly basis. The Company may also, on an ad hoc basis, hold media and analysts briefings and publish press releases of its financial results.

4.2 Audit Committee

Principle 11: The Board should establish an Audit Committee ("AC") with written terms of reference which clearly set out its authority and duties.

The AC comprises three members, all are independent and non-executive directors, namely Mr Hoon Tai Meng ("Mr Hoon"), Ms Kwok and Mr Foo. The chairman of the AC is Mr Hoon.

The Code recommends in Guideline 11.1 that all members of the AC should be non-executive, the majority of whom, including the chairman of the AC, should be independent.

The Board is of the view that the members of the AC are appropriately qualified in that they have sufficient accounting or related financial management expertise and experiences to discharge the AC's function.

The AC comprise of members who have sufficient experience in finance, legal and business fields.

The AC performs the functions specified by the Companies Act, the Listing Manual and the Code and assists the Board in the execution of its corporate governance responsibilities within its established terms of reference.

The AC has adopted written terms of reference. According to the written terms of reference, the AC has the authority to undertake such reviews and projects as it may consider appropriate in the discharge of its duties. The AC has full access to and the co-operation of the Management. The AC may invite any director or executive officer to attend its meetings and has reasonable resources to enable it to perform its functions.

In FY2012, the AC met twice. Details of the members' attendance at AC meetings in FY2012 are provided in Section 1.1 of this Report.

The AC performed the following functions in FY2012:-

(a) External Auditors

In the course of their audit, the external auditors have reviewed the financial controls in areas which could have a material impact on the financial statements with an aim to ensure that these are adequate for the financial statements attestation purpose. They have reported their observations and made recommendations for improvement to the AC. The AC has also reviewed the report and ensures that Management has taken appropriate actions.

For FY2012, the AC reviewed together with the external auditors:-

- the audit plan (including, among others, the nature and scope of the audit before the audit commenced and the risk management issues of the Group);
- (ii) their evaluation of the financial controls in areas which could have a material impact on the financial statements;
- (iii) their audit report;
- (iv) the assistance given to them by the Company's officers;
- (v) the consolidated balance sheet and income statement of the Company; and
- (vi) the interested person transactions of the Group.

The external auditors did not provide any non-audit services to the Group in FY2012, and the AC is of the opinion that the external auditors' independence has not been compromised. The AC has reviewed the performance of the external auditors and recommended to the Board the re-appointment of the external auditors at the forthcoming Annual General Meeting.

The AC shall continue to monitor the scope and results of the external audit, its cost effectiveness and the independence and objectivity of the external auditors and give its recommendations to the Board and the Company regarding the appointment, re-appointment or removal of the external auditors. The AC is satisfied that the appointment of different external auditors for its subsidiaries would not compromise the standard and effectiveness of the audit of the Group. The company confirms that Rule 712 and Rule 716 of the Listing Manual have been complied with.

The AC has met up with the external auditors without the presence of Management in FY2012.

The Company has in place whistle-blowing policies and arrangements by which staff may, in confidence, raise concerns about possible corporate improprieties in matters of financial reporting, or other matters whereby any reports are directed to the Chairman of the AC and the AC will be informed immediately of any whistle-blowing reports received.

Review of financial statements (b)

For FY2012, the AC reviewed the half-yearly and full year financial statements of the Company and the Group, including announcements relating thereto, to Shareholders and the SGX-ST.

Review of related party transactions (c)

The AC has reviewed related party transactions of the Group for FY2012 and reported its findings to the Board. Please refer to page 52 of the annual report for further details on the related party transactions of the Group for FY2012.

4.3 Internal Controls

Principle 12: The Board should ensure that the Management maintains a sound system of internal controls to safeguard the shareholders' investments and the company's assets.

The Board recognizes that it is responsible for the overall internal control framework, but accepts that no cost effective internal control system will preclude all errors and irregularities, as the system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable and not absolute assurance against material misstatement or loss. The AC will:

- satisfy itself that adequate measures are in place to identify and mitigate any material business risks associated with the Group;
- ensure that a review of the effectiveness of the Group's material internal controls, including financial, operating and compliance controls and risk management, is conducted at least annually. Such review can be carried out by internal auditors/external auditors;
- ensure that the internal control recommendations made by internal and external auditors have been implemented by the Management; and
- ensure the Board is in a position to comment on the adequacy of the internal controls of the Group.

Relying on the reports from the internal and external auditors and management representative letters, the AC carries out assessment of the effectiveness of key internal controls during the year. Any material non-compliance or weaknesses internal controls or recommendations from the internal and external auditors to further improve the internal controls were reported to the AC. The AC will also follow up on the actions taken by the Management on the recommendations made by the internal and external auditors.

The Directors have received and considered the confirmations in accordance with Rule 705(5) of the Listing Manual of the SGX-ST from the Chief Executive Officer, the Executive Director, the Group Financial Controller and senior management of the subsidiaries in relation to the financial information for the year.

Material associates and joint ventures which the Company does not control are not dealt with for the purposes of this statement.

Based on the various management controls put in place and the reports from the internal and external auditors, reviews and confirmations by the Management; and in the absence of any evidence to the contrary, the Board with the concurrence of the AC is of the opinion that the system of internal controls addressing financial, operational and compliance risks during the year are adequate to safeguard the assets and ensure the integrity of financial statements. The Management continues to focus on improving the standard of internal controls and corporate governance.

4.4 Internal Audit

Principle 13: The company should establishment an internal audit function that is independent of the activities it audits.

In 2012, the Company has outsourced its internal audit function to a professional firm Messrs Nexia TS Pte Ltd ("Nexia TS"). The internal auditor reports directly to the AC on audit matters and to the Chairman and Managing Director on administrative matters. The main objective of the internal audit function is to assist the Group in evaluating and assessing the effectiveness of internal controls and consequently to highlight the areas where control weaknesses exist, if any, and thus improvements could be made. The Company continues to work with the internal auditor to identify other scope of work which will help to further enhance the robustness of the Company's internal control.

The AC has reviewed the adequacy of the internal audit function at least annually and ensured that the internal audit function is adequately resourced and has appropriate standing within the Company. The AC has met with the internal auditors, without the presence of Management, at least once a year.

The internal auditor follows closely the standards set by nationally or internationally recognized professional bodies including the Standards for the Professional Practice of Internal Auditing set by The Institute of Internal Auditors.

The Board acknowledges that it is responsible for the overall internal control framework but notes that no system of internal control could provide absolute assurance against all irregularities.

5. Communications with Shareholders

5.1 Principle 14: Companies should engage in regular, effective and fair communication with shareholders.

The Board is mindful of the obligation to provide timely and fair disclosure of material information in accordance with the Corporate Disclosure Policy of the SGX-ST.

The Company does not practice selective disclosure. Price sensitive information is first publicly released through SGX-Net, before the Company meets with any investors or analysts. All Shareholders receive the annual report and the notice of AGM (the "Notice of AGM"). The Notice of AGM is advertised in the newspapers and published via SGXNET.

5.2 Principle 15: Companies should encourage greater Shareholder participation at AGMs, and allow shareholders the opportunity to communicate their views on various matters affecting the company.

Our shareholders are encouraged to attend the AGM to ensure a high level of accountability and to be updated on the Company's strategies and goals. Notice of the AGM is dispatched to shareholders, together with explanatory notes or a circular on items of special businesses (if necessary), at least 14 clear calendar days before the meeting. The Board welcomes the views of Shareholders on matters affecting the Company, whether at Shareholders' meetings or on an ad hoc basis. At AGMs, Shareholders are given the opportunity to air their views and to ask the Directors and Management questions regarding the Group. Furthermore, the external auditors are present to assist our Board in addressing any relevant queries by our shareholders.

6. Risk Management

The Board and Management are responsible for monitoring the Group's risk management. They regularly review the Group's business and take necessary steps to identify and highlight areas of significant business risks as well as take the appropriate measures to control and mitigate these risks.

7. Dealings in Securities

The Company has adopted its own internal Code of Conduct to provide guidance to all Directors and officers of the Company and its subsidiaries with regard to dealings in the Company's securities in compliance with the Rule 1207(19) of the Listing Manual of the SGX-ST.

Directors and executives are also expected to observe insider-trading laws at all times even when dealing with securities within the permitted trading period.

8. Material Contracts

Other than disclosed in the audited financial statements and the service agreements between the Executive Directors and the Company, there were no material contracts to which the Company or any subsidiary company is a party and which involve the chief executive officer, directors and controlling shareholders' interests subsisted at the end of the financial year, or have been entered into since the end of the previous year.

9. Interested Person Transactions

Save as disclosed in the financial statements, there were no interested person transactions with aggregate value of \$\$100,000 or more for the financial year ended 30 September 2012.

John Chen Seow Phun Executive Chairman

Rule 723 of the SGX Listing Manual - Free Float

As at 13 December 2012, approximately 54.42% of the issued share capital of the Company was held in the hands of public as defined in the SGX Listing Manual. Accordingly, the Company confirms that Rule 723 of the Listing Manual is complied with.

NOTICE IS HEREBY GIVEN that the Annual General Meeting of Thai Village Holdings Ltd (the "Company") will be held at Thai Village Restaurant, 5 Stadium Walk, #01-50 Leisure Park Kallang, Singapore 397693 on Tuesday, 22 January 2013 at 3.00 p.m. for the following purposes:

AS ORDINARY BUSINESS

- 1. To receive and adopt the Directors' Report and the Audited Accounts of the Company for the financial year ended 30 September 2012 together with the Auditors' Report thereon. (Resolution 1)
- 2. To declare a first and final dividend (tax exempt one-tier) of S\$0.008 per ordinary share for the financial year ended 30 September 2012. (2011: S\$0.008) (Resolution 2)
- 3. To approve the payment of Directors' fees of \$\$320,000 for the financial year ending 30 September 2013, with payment to be made in arrears. (2012: \$\$320,000) (Resolution 3)
- 4. To re-elect Mr Kok Nyong Patt who retires pursuant to Article 107 of the Articles of Association of the Company.

 (Resolution 4)

 [See Explanatory Note (i)]
- 5. To re-elect Dr John Chen Seow Phun who retires pursuant to Article 107 of the Articles of Association of the Company.

 (Resolution 5)

 [See Explanatory Note (ii)]
- 6. To re-elect Mr Foo Der Rong who retires pursuant to Article 117 of the Articles of Association of the Company.

 (Resolution 6)

 [See Explanatory Note (iii)]
- 7. To re-appoint Messrs Ernst & Young LLP, Certified Public Accountants, as the Auditors of the Company and to authorise the Directors of the Company to fix their remuneration. (Resolution 7)
- 8. To transact any other ordinary business which may be properly transacted at an Annual General Meeting.

AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following resolutions, with or without amendments as Ordinary Resolutions:-

 Authority to issue shares pursuant to Section 161 of the Companies Act, Chapter 50 and Rule 806 of the Listing Manual of the Singapore Exchange Securities Trading Limited

That the Directors be and are hereby authorised pursuant to the provisions of Section 161 of the Companies Act, Chapter 50 (the "Companies Act") to issue shares and convertible securities of the Company on such terms and conditions and for such purposes and to such persons and with such rights or restrictions as the Directors may in their absolute discretion deem fit PROVIDED ALWAYS THAT the aggregate number of shares and convertible securities to be issued pursuant to this resolution shall not exceed fifty per cent (50%) of the total issued share capital (excluding treasury shares) of the Company, of which the aggregate number of shares and convertible securities to be issued other than on a pro rata basis to existing shareholders shall not exceed twenty per cent (20%) of the total issued share capital (excluding treasury shares) of the Company and that such authority shall continue in force until the conclusion of the next

Annual General Meeting or the expiration of the period within which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier, unless the authority is previously revoked or varied at a general meeting. For the purposes of this resolution, the percentage of the total issued share capital (excluding treasury shares) shall be based on the Company's total issued share capital (excluding treasury shares) at the time of the passing of this resolution after adjusting for:

- (a) new shares arising from the conversion or exercise of convertible securities or from exercising employee share options or vesting of shares awards outstanding or subsisting at the time of the passing of this resolution, provided that the options or awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the Singapore Exchange Securities Trading Limited ("SQX-ST"); and
- (b) any subsequent bonus issue, consolidation or subdivision of shares.

(Resolution 8)

[See Explanatory Note (iv)]

10. Renewal of Share Purchase Mandate

That:

- (1) for the purposes of Sections 76C and 76E of the Companies Act, the exercise by the Directors of the Company of all the powers of the Company to purchase or otherwise acquire issued ordinary shares in the capital of the Company (the "Shares") not exceeding in aggregate the Maximum Limit (as hereafter defined), at such price or prices as may be determined by the Directors from time to time up to the Maximum Price (as hereafter defined), whether by way of:
 - (a) market purchase(s) transacted on the SGX-ST through the SGX-ST's Quest-ST trading system and/ or any other stock exchange on which the Shares may for the time being be listed and quoted ("Other Exchange") through one or more duly licensed dealers appointed by the Company for the purpose; and/ or
 - (b) off-market purchase(s) in accordance with any equal access scheme(s) as may be determined or formulated by the Directors as they consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Companies Act, and otherwise in accordance with all other laws and regulations and rules of the SGX-ST or, as the case may be, Other Exchange as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the "Share Buyback Mandate");
- (2) unless varied or revoked by the Company in General Meeting, the authority conferred on the Directors of the Company pursuant to the Share Buyback Mandate may be exercised by the Directors at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earlier of:
 - (a) the date on which the next Annual General Meeting of the Company is held or is required by law to be held; or
 - (b) the date on which the Share Buyback is carried out to the full extent mandated.

(3) in this Resolution:

"Average Closing Price" means the average of the last dealt prices of a Share for the five consecutive Market Days on which the Shares are transacted on the SGX-ST or, as the case may be, Other Exchange immediately preceding the date of the market purchase by the Company and deemed to be adjusted in accordance with the Listing Manual for any corporate action that occurs after the relevant five-day period;

"date of the making of the offer" means the date on which the Company announces its intention to make an offer for an off-market purchase, stating the purchase price (which shall not be more than the Maximum Price of the Shares calculated on the foregoing basis) for each Share, and the relevant terms of the equal access scheme for effecting the off-market purchase;

"Highest Last Dealt Price" means the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the date of the making of the offer pursuant to the Off-Market Purchase;

"Maximum Limit" means that number of issued Shares representing 10% of the issued ordinary share capital of the Company as at the date of the passing of this Resolution (excluding any Shares which are held as treasury shares as at that date);

"Maximum Price", in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) which shall not exceed:

- (a) in the case of a market purchase of a Share, 105% of the Average Closing Price of the Shares; and
- (b) in the case of an off-market purchase of a Share pursuant to an equal access scheme, 120% of the Highest Last Dealt Price of the Shares; and

"Share" means an ordinary share in the capital of the Company; and

(4) the Directors of the Company and/or any of them be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they and/or he may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this Resolution. (Resolution 9)

[See Explanatory Note (v)]

BY ORDER OF THE BOARD

Chew Kok Liang Loh Siew Lee Company Secretaries

Singapore 4 January 2013

Explanatory Notes:

- i) Mr Kok Kyong Patt will, upon re-election as Director of the Company, remain as Executive Director, and will be considered non-independent.
- ii) Dr John Chen Seow Phun will, upon re-election as Director of the Company, remain as Executive Chairman, and will be considered non-independent.
- iii) Mr Foo Der Rong will, upon re-election as Director of the Company, remain as Chairman of the Remuneration Committee, members of Audit Committee and Nominating Committee respectively, and will be considered independent for the purposes of Rule 704(8) of the Listing Manual of the SGX-ST.
- iv) The Ordinary Resolution 8 above, if passed, will empower the Directors of the Company from the date of the Meeting until the next Annual General Meeting to issue shares and convertible securities in the Company up to a maximum of fifty per cent (50%) of the total issued share capital (excluding treasury shares) of the Company for the time being for such purposes as they consider would be in the interests of the Company. This authority will continue in force until the next Annual General Meeting of the Company, unless previously revoked or varied at a general meeting.
- v) The Ordinary Resolution 9 above, if passed, will authorise the Company to adopt the Share Buyback Mandate and empower the Directors of the Company to exercise all powers of the Company to purchase or otherwise acquire issued shares in the capital of the Company pursuant to the terms of the Share Buyback Mandate. This authority will continue in force until the next Annual General Meeting of the Company or the expiration of the period within which the next Annual General Meeting is required by law to be held, whichever is the earlier, unless the authority is previously revoked or varied at a general meeting.

Notes:

- (1) A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote in his/her stead. A member of the Company, which is a corporation, is entitled to appoint its authorised representative or proxy to vote on its behalf. A proxy need not be a member of the Company.
- (2) The instrument appointing a proxy must be deposited at the Registered Office of the Company at Blk 1002 Tai Seng Avenue, #01-2536, Singapore 534409 not less than forty-eight (48) hours before the time appointed for holding the Meeting.

NOTICE OF BOOKS CLOSURE

NOTICE IS HEREBY GIVEN that the Share Transfer Books and Register of Members of Thai Village Holdings Ltd (the "Company") will be closed on 30 January 2013 for the purpose of determining the Company's shareholders ("Shareholders") entitlements to a first and final dividend of \$\$0.008 per ordinary share (tax exempt one-tier).

For the avoidance of doubt, in the case where the registered Shareholder is the Central Depository (Pte) Limited ("CDP") the dividend warrants shall be issued to the CDP and credited to the depositors' securities accounts with the CDP in proportion to the number of shares of the Company standing to the credit of each depositor's securities account with the CDP as at 5.00 p.m. (Singapore time) on 29 January 2013.

Duly completed registrable transfers received by the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 up to 5.00 p.m. on 29 January 2013 will be registered to determine entitlements to the said dividend.

The proposed dividend, if approved by the members at the Annual General Meeting to be held on 22 January 2013, will be paid on 13 February 2013.

THAI VILLAGE HOLDINGS LTD

(Company Registration No. 199905141N) (Incorporated In the Republic of Singapore)

ANNUAL GENERAL MEETING PROXY FORM

IMPORTANT:

- For investors who have used their CPF monies to buy Thai Village Holdings Ltd's shares, this Report is forwarded to them at the request of the CPF Approved Nominees and is sent solely FOR INFORMATION ONLY.
- 2. This Proxy Form is not valid for use by CPF investors and shall be ineffective for all intents and purposes if used or purported to be used by them.
- 3. CPF investors who wish to attend the Meeting as an observer must submit their requests through their CPF Approved Nominees within the time frame specified. If they also wish to vote, they must submit their voting instructions to the CPF Approved Nominees within the time frame specified to enable them to vote on their behalf.

Notes:

- 1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 130A of the Companies Act, Chapter 50 of Singapore), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the Shares held by you.
- 2. A member of the Company entitled to attend and vote at a meeting of the Company is entitled to appoint more than one proxy to attend and vote in his/her stead. A proxy need not be a member of the Company.
- 3. Where a member appoints more than one proxy, he shall specify the proportion of his shareholding to be represented by each proxy. If not such proportion or number is specified the first named proxy may be treated as representing 100% of the shareholding and any other named proxy as alternate(s) to the first named.
- 4. Completion and return of this instrument appointing a proxy shall not preclude a member from attending and voting at the Meeting. Any appointment of a proxy or proxies shall be deemed to be revoked if a member attends the meeting in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the instrument of proxy to the Meeting.
- 5. The instrument appointing a proxy or proxies must be deposited at the registered office of the Company at Blk 1002 Tai Seng Avenue, #01-2536, Singapore 534409 not less than forty-eight (48) hours before the time appointed for the Meeting.
- 6. The instrument appointing a proxy or proxies must be under the hand of the appointor or of his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised. Where the instrument appointing a proxy or proxies is executed by an attorney on behalf of the appointor, the letter or power of attorney or a duly certified copy thereof must be lodged with the instrument.
- 7. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at the Meeting, in accordance with Section 179 of the Companies Act, Chapter 50 of Singapore.

General:

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible, or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at forty-eight (48) hours before the time appointed for holding the Meeting, as certified by The Central Depository (Pte) Limited to the Company.
